

# YOU ARE CORDIALLY INVITED

## ANAHEIM HILLS VETERANS' CEMETARY PRESS EVENT

After almost a decade of vigorous efforts to build a Veterans Cemetery in the City of Irvine, it recently became clear that the project will not be suitable for the City. Supervisor Don Wagner has helped identify County land to begin building a Veterans' cemetery in Orange County. Leaders across the state, the County, the City of Anaheim, a coalition of Veterans, and the Orange County Cemetery District all welcome the Gypsum Canyon site as OC's future home for our deserving Veterans.
